### SUMMARY

This memorandum from the Bureau of Customs provides a consolidated list of Customs Memorandum Orders, Customs Memorandum Circulars, and other memoranda issued from 01 January 2026 to 31 March 2026. The issuance serves as an official reference index of regulatory developments within the covered period.

These issuances have been covered by DL Legal Watch with a corresponding digest of the listed issuances by summarizing their practical implications through these structured brief background and actionable advice, consistent with prior monthly regulatory monitoring reports.

### ACTIONABLE ADVICE

Importers, exporters, customs brokers, and compliance teams should use the official Bureau list as a reference checklist and review DL Legal Watch's digest for operational interpretation and compliance guidance. Businesses should align internal monitoring systems with both sources to quickly identify which issuances may affect their transactions, documentation, or clearance processes. Companies are also advised to maintain an updated archive of both official issuances and DL Legal Watch summaries to support regulatory compliance, audit preparedness, and timely adjustment of customs-related procedures.
